President's Message

A Year in Review

It is a good time for us to reflect on our accomplishments of this past year. 2012 should be another outstanding year for our center.

During this past year, we had excellent programs and participation from all of you. We had very successful celebrations like the annual dhwaj ceremony, Paryushan program, Diwali, and New Year celebration for 2011 with pujans. We enjoyed programs like the Gandhi before Gandhi drama, musical evening and performance by Talavya group, and Dairo by Bhanubhai and Truptiben Chhaya of Swar Kinnari group. Everyone enjoyed the religious discourses by Dr. Kumarpalbhai, which was icing on the cake. Dr. Rameshbhai Parekh's lectures during Das Lakshana were well received. Shree Girishbhai's swadhyay on Sundays and Mondays are well attended. In addition, Hasendrabhai Shah has started swadhyay every Tuesday evening, covering the basics of Jainism.

All of this would not have happened without the great support from all of our community members, dedicated volunteers, and our sincere, hardworking E.C/ BOD. I would like to take this opportunity to thank all of you. It is exciting news for us that Claremont Lincoln University will offer classes on Jainism as part of their curriculum for religious studies. We will support them in each and every way to make the program very successful. I invite you to let our team of Rajenbhai Dhami, Hasendrabhai Shah, and myself, know how you can help. We had successful health seminars on Diabetes and Heart disease by prominent doctors and healthcare providers in their fields. iPad classes are well received and are going well, thanks to Sarva Mangal Trust and volunteers.

Our goals for next year will be to preserve what we have achieved, prosper by expanding horizons, and work on achieving our unmet goals. We have made great efforts by paying off our bank loans and reducing our debt of interest free loans to $2.4 million. I ask for your active participation and generous donations to make our center completely debt free.

Additionally, we need more participation from youth. Our team members are actively working to have youth programs and their involvement in our activities. Those who would like to participate please contact our youth coordinator Vipinbhai Vadecha.

On another note, we would like to congratulate our nine JCSC members who have successfully completed 99 Yatra with all the rituals, in good health, without any obstacles or interruptions in Palitana. We wish a successful completion of varsitap tapascharya with good health to our three varsitap tapasvis, who include Ushaben M. Wadher, Pragnaben K. Shah, and Anita G. Shah.

Furthermore, I would like to extend my sincerest thanks to the outgoing EC/BOD members, who include Vipinbhai Vadecha, Gordhanbhai Patel, Nileshbhai Shah, Niravbhai Shah, and Dineshbai Shah. I would like to welcome the incoming EC/BOD members who include Pinkalbhai Jogani, Kinalbhai Modi, Vijaybhai Shah, and Prafulaben Shah. I am very confident that with this new, young, and talented team we will be able to achieve all our goals. I thank you all for your trust and confidence in me by reappointing me as president for this next term. Let the birth of the New Year give birth to new ideas, thoughts, and actions that will bring us happiness, good health, success, and prosperity.

Sincerely,
Dr. Jayesh Shah
President, JCSC
