President's Message

Jai Jinendra,

I am pleased to see progress of our center in different aspects. As the year continues, we are developing new programs to benefit our members and children. Even though we had some challenges, with your support and participation, we were able to resolve them very smoothly. In the absence of our pujari, a team of volunteers showed solidarity and took responsibility of taking care of our center, keeping the temple open on time, and continuing prakshal, puja, arti and divo. By now you all may have met our new pujari, Bhikhubhai. If not, please welcome him the next time you see him.

The Mahavir Jayanti program held in March was enjoyed by everyone. A record number of 165 children of ours performed in a variety of items during the program. Congratulations to our children and the committee members who organized the event.

In April, Shri Girishbhai Shah's Pudgal Vosiravo Shibir was very well attended. Everyone who attended the shibir thoroughly enjoyed it. Members learned a lot and were greatly uplifted spiritually. It was the first time in our temple's history that this particular shibir was organized.

We celebrated our temple's 24th anniversary with great enthusiasm. Shri Ashokbhai Sanghvi performed pujans and 18 abhisheks with clarity and great charisma, which inspired our members. Additionally, the new silver Aangi of the Mulnayak Mahavir Swami idol looked spectacular. Everyone responded very well with open hearts.

The picnic by our youth JAYA was a great success as well. Close to 300 members and their families were present at this event. This is a great start for the future of our center as well as for our goal of having more participation of our youth in our center's activities. I am very much encouraged by all the enthusiasm I see from our young adults. I see a bright future for them.

The JCSC Wellness Program has been a great success as well. More than 500 members have already joined this program. With this program, we will have the double advantage of improving our community's physical and financial health.

After many years, this year we hosted the JAINA Pathshala Teacher's Conference to exchange ideas and provide knowledge to teachers all over the USA, which will provide uniformity in knowledge and teaching in Pathshala classes across all the Jain Centers of the USA.

This month in June, Shri Hiteshbhai from Baroda will be visiting our center and will help us to perform pujans and 18 abisheks to idols from our members' homes. We are planning to celebrate this year's Paryushan and Daslakshana with Shri Narendrabhai Nandu and Smt. Kusumben Jain respectively.

I would like to thank you all for your active participation and volunteer efforts. We could not have made progress at our center without everyone's involvement and support. I am sure we will have the same continued support from all members to achieve our unmet goals.

Thank You,
Dr. Jayesh Shah
President, JCSC

Connecting Jains. Serving Community. Building Foundation.

JAYA, the Jain Association of Young Adults is an affiliated group of JCSC dedicated to connecting young adults, **ages 25 -45,** who share similar heritage, values and beliefs. The group plans a variety of programs throughout the year that foster social interaction, temple related contribution, and community service.

JAYA aims to develop feelings of togetherness within young Jains living in Southern California by providing opportunities to interact with others, involve in religious and cultural activities, strengthen our roots, and serve for a greater cause.

JAYA is off to a TERRIFIC start. Our first event, a picnic held on April 22nd at Liberty Park in Cerritos, was a HUGE success with over 250 people in attendance. Adults and kids were fully engaged in activities such as volleyball, cricket as well as many organized games. With play comes hunger and all enjoyed the delicious food and snacks that were served.

If you would like to be a member of JAYA and learn about future events, please register online (no fee) at:
